to appear to have been abandoned. Motor vehicles or trailers which are in a condition of disrepair and lack valid registration plates shall be deemed to have been abandoned within the meaning of this section. Whenever any other motor vehicle or trailer has been allowed to remain standing on such highway or public property in the city for more than 72 hours after a police officer, or the commissioner of public works or the commissioner's designee placards the motor vehicle or trailer and 48 hours after mailing of a notice to the last known address of the owner, the same shall be deemed to have

been abandoned within the meaning of this section. The notice shall inform

the owner of the manner of avoiding a declaration of abandonment, of the means of reclaiming the motor vehicle or trailer should it be deemed abandoned, and of the availability of a review before the city attorney.

2. ABANDONED VEHICLES ON PRIVATE PROPERTY. Whenever any motor vehicle or trailer has been allowed to remain on any private property in ordinary public view without the consent of the property owner, or agent, and for longer than 72 hours after a police officer, or the commissioner of public works or the commissioner's designee placards the vehicle, said vehicle or trailer shall be deemed abandoned.

3. REMOVING AND IMPOUNDING. The chief of police or the commissioner of public works or any person acting on their behalf is authorized to remove or cause to be removed any motor vehicle or trailer which reasonably appears to be in violation of subs. 1 or 2, except that the removal of a motor vehicle or trailer in violation of sub. 1 may only be performed by or under the direction of a traffic officer or towing contractor under contract to the city. Whenever the vehicle reclamation charges as provided in s. 101-25-1 are paid, the vehicle shall be released to its owner. Whenever the citation upon which removal and storage is authorized is released by the chief of police, or by the city attorney after a review, or whenever the charge for which the citation upon which removal and storage is authorized is dismissed by the court, the commissioner of public works shall release the vehicle without payment of vehicle reclamation charges and shall refund any vehicle reclamation charges for such vehicle which shall have been previously paid.

4. DISPOSAL OF UNCLAIMED VEHICLES AND TRAILERS. a. As soon as practical after the removal, the duly authorized representative of the commissioner of public works shall appraise the value of such motor vehicle or trailer based on the prevailing salvage market. If the commissioner of public works or his or her authorized representative determines that the value of such motor vehicle or trailer, based on the prevailing salvage

market, is \$200 or less, such vehicle or trailer shall be retained in storage for a period of not less than 15 days after notice has been sent to the last known address of the owner of record to permit reclamation of the vehicle or trailer. Such notice shall inform the owner of any rights to reclaim personal property, the amount of storage charges which are accruing, and any right to reclaim the vehicle within the appropriate period. The commissioner or the commissioner's duly authorized representative may perform a salvage value appraisal of a vehicle or trailer. If the commissioner of public works or his or her authorized representative determines that the value of a motor vehicle or trailer, based on the prevailing salvage market, exceeds \$200, or that the vehicle is substantially complete and in excess of 19 model years of age, such vehicle or trailer shall be retained in storage for a period of not less than 30 days after certified mail notice has been sent to the owners and lienholders of record to permit reclamation of the vehicle or trailer. Such notice shall inform the owner or lienholder of record of any rights to reclaim personal property, the amount of storage charges which are accruing, and any right to reclaim the vehicle within the appropriate period. Such notice shall set forth the year, make, model and serial number of the abandoned motor vehicle or trailer, the place where the vehicle or trailer is being held, and that the failure of the owner or lienholders to exercise their rights to reclaim the vehicle or trailer under this section shall be deemed a waiver of all right, title and interest in the vehicle or trailer and a consent to the sale of the vehicle or trailer. Each retained vehicle or trailer not reclaimed by its owner or lienholder may be sold.

b. After such motor vehicle or trailer shall have been stored and notice given as provided for in par. a, and such vehicle or trailer shall not have been reclaimed, the commissioner of public works or a person authorized by the commissioner may sell the same. Notice of such sale shall be published in a daily newspaper having a general circulation in the city of Milwaukee for 3 consecutive days, but the same notice may include one or

more motor vehicles or trailers. At such sale the highest bid for any such motor vehicle or trailer shall be accepted; unless the same is, in the judgment of the commissioner inadequate, in which event all bids may be rejected. In case all bids are rejected or no bid is received, the commissioner may, in his or her discretion, either readvertise the sale or adjourn the same from time to time to a definite date each time, or sell such motor vehicle or trailer without further public notice. In lieu of a sale, after such motor vehicle or trailer shall have been stored and notice given as provided for in par. a, the commissioner is authorized to make any such motor vehicle or trailer remaining unclaimed available for use for municipal purposes, when deemed by the central board of purchases to be in the best interests of the city. No city department may use or remove from storage any unclaimed motor vehicle or trailer, for any purpose, without first obtaining approval from the central board of purchases. An inventory shall be maintained pursuant to s. 66.0139, Wis. Stats.

c. At any time prior to the removal of impounded motor vehicles or trailers which have been sold as herein provided, any person establishing his ownership or right of possession to such vehicle or trailer may reclaim and obtain possession of the same by satisfying the statutory lien for accrued storage, towing and other expenses incident to the care of the same. Whenever a vehicle or trailer is reclaimed under this paragraph, the commissioner shall refund any payment made by a purchaser for the reclaimed vehicle or trailer.

d. Following the city's sale of an abandoned motor vehicle or trailer as provided in par. b, the purchaser shall have 10 days to remove the vehicle or trailer from the storage area, but shall pay a reasonable storage fee established by the city for each day the vehicle remains in storage after the second business day subsequent to the sales date. Ten days after the sale, the purchaser shall forfeit all interest in the vehicle or trailer and the vehicle or trailer shall be deemed to be abandoned and may be sold again.

And it shall also be their duty to caution strangers and others against going into such places, and against pickpockets, watch stuffers, droppers, mock auctioneers and all other suspicious persons, to render assistance to officers of justice, to direct strangers to the nearest way to their places of destination, and when necessary to cause them to be accompanied by one of the police.

105-127. When to Arrest. Each policeman shall carefully watch all disorderly houses. He shall arrest all and every person who shall be seen by him violating any ordinance of the city, or who shall be found in the street drunk, noisy or using boisterous and threatening or insulting language tending to produce a quarrel or breach of the peace; all persons who shall be guilty of indecent conduct or of any indecent exposure of the person; all persons who shall be in the act of committing a felony or misdemeanor, or who shall be reasonably suspected of having committed any felony. He may lawfully make an arrest without a warrant for a misdemeanor whenever the officer has reasonable grounds to believe that the person to be arrested has committed a misdemeanor and will not be apprehended unless immediately arrested or that further personal and property damage may likely be done unless immediately arrested. He may lawfully make an arrest acting under a warrant even though the officer does not have the warrant in his possession at the time of the arrest, but, if the person arrested so requests, the warrant shall be shown to him as soon as practicable. He may lawfully arrest when advised by any other peace officer in the state that a warrant has been issued for the individual.

105-128. Police to Report Defective Sidewalks, etc. The patrolmen in their respective beats shall immediately report all defective and dangerous streets, walks and places which shall come to their notice; and in the performance of their duties they shall particularly examine such streets, walks and places and make such report as aforesaid. They shall make their reports to the chief of police at the central station, and it shall be his duty to forthwith enter the same in a register kept by him for that purpose and at once transmit the same to the office of the commissioner of public works.

105-133. Warrant for Assault Upon Officer. No member of the police force shall be permitted to apply for warrant for an assault upon himself without first reporting the case to the chief of police and obtaining from him or from the mayor permission in writing to make such application.

105-137. Assistance to Officers By Citizens. It shall be the duty of all persons in the city, when called upon by any police officer or patrolman to promptly aid and assist him in the execution of his duties. Whoever shall neglect or refuse to give such aid and assistance shall forfeit a penalty of not exceeding \$100 in the discretion of the court or magistrate convicting. And if the person offending be a licensed hackman, cabman or drawman, or the driver of any hackney coach, cab, omnibus, dray or wagon or other vehicle, the court or magistrate convicting shall be authorized to give judgment that the license of the said person or of the owner of such vehicle be cancelled and revoked.

105-138. Resisting or Obstructing Officer.

1. DEFINITIONS. In this section:

a. "Obstructs" includes without limitation knowingly giving false information to an officer or knowingly placing physical evidence with the intent to mislead an officer in the performance of the officer's duty, including the service of any summons or civil process.

105-38-2 Public Safety

2. PROHIBITION. No person shall knowingly resist or obstruct an officer while the officer is doing any act in an official capacity and with lawful authority.

3. PENALTY. Any person violating this section shall upon conviction forfeit not less than \$100 nor more than \$500, together with the costs of prosecution and in default of payment shall be imprisoned in the county jail or house of correction for a period not to exceed 20 days, or until the forfeiture and costs are paid.
